We hereby declare that in the event of an unjustified complaint, the legitimacy of which could not be determined previously, on the basis of the complaint, without the presence of the Systema Polska Sp. z o.o. in the place of installation of the devices, the applicant is obliged to pay the costs in accordance with a written service protocol prepared by the seller's service.

Moreover, sender is obligated to send back the damaged spare parts during 30 days after registered the claim. Otherwise Systema has a right to send the invoice for delivered spare parts in place of previous one, with payment condition 14 days.
